CONGRESS OVERVIEW

Message from the Chairman

Following the success of last year's congress and on behalf of the ICJR Team, it was an honour and privilege to organize the "Tenth Edition" of the International Congress Joint Reconstruction Middle East (ICJR ME) which was held on 28 - 30 April 2023 at the Jumeirah Emirates Towers, Dubai, United Arab Emirates.

This congress was supported by the Dubai Health Authority and was endorsed by the Emirates Orthopaedic Society, Iranian Orthopaedic Association, Kuwait Orthopaedic Society, Orthopedic Society of Oman and Algerian Orthopaedic Society.

The congress included a variety of comprehensive modules such as informative learning, panel discussions, refresher courses, meet the expert sessions, free paper sessions, nursing sessions and industry symposia, providing the industry and medical professionals with insights and updates on the latest research and rapid developments in the field.

We would like to express our sincere appreciation to all participants, sponsors, exhibitors, supporting organizations and committee members who made this conference a success. You have been with us in this important milestone, marking a glorious decade of the ICJRME.

Finally, we would like to invite you to join us again next year here in Dubai for another memorable learning experience. Mark your calendar on April 26-28, 2024. Rest assured that we will strive harder to deliver the best congress that our community deserves.

Sincerely,

Dr. Samih Tarabichi

Chairman – International Congress for
Joint Reconstruction Middle East (ICJR ME)

PROGRAM HIGHLIGHTS

The Congress concluded with participation from **27** countries and a total of **765** attendees. The scientific program content offered **24** sessions, **142** lecture topics and **3** Industry symposia during the **3** day program. There were **81** faculty members from **15** countries who graced the congress physically and contributed to the interactive learning of the delegates.

Congress Objectives

- ⦿ Obtain critical updates on new technology, products and procedures
- ⦿ Network with professional colleagues from across the country and around the world
- ⦿ Evaluate a range of orthopaedic-related products for use in your clinical practice
- ⦿ Expand your orthopaedic knowledge into new specialty areas
- ⦿ Review research findings that impact your orthopaedic practice at the poster sessions and abstract presentations
- ⦿ Get grounded in orthopaedic basics if you are new to the field

The 3-day congress targeted participation from the following areas of practice

- ⦿ Orthopaedic Surgeons & Physicians
- ⦿ Spine Surgeons
- ⦿ Neurosurgeons
- ⦿ Trauma Surgeons
- ⦿ Sports Medicine Physicians
- ⦿ Rheumatologist
- ⦿ Physiotherapists

- ⦿ General Practitioners
- ⦿ Internists
- ⦿ Researchers in Rheumatic treatments
- ⦿ Nurses
- ⦿ Technicians
- ⦿ Students
- ⦿ Professors

The congress envisioned the following benefits for the participants through this congress

- ⦿ Earn **31.5** CME hours by the **Dubai Health Authority (DHA)**.
- ⦿ Meet & learn from an outstanding group of high-profile international speakers who will cover a range of exciting topics in the latest researches & updates on rapid developments occurring in the field of orthopaedics.
- ⦿ Enhance your knowledge in the latest & up-to-date technologies along with networking, meeting and building relationships with your peers in the field of orthopaedics.
- ⦿ Participate in various comprehensive informative session including panel discussion.

The congress received endorsement from **5 societies and associations** as well as support and collaboration from **14 companies** who sponsored and exhibited during the congress.

CONGRESS VENUE

Congress Venue
The congress was held at Jumeirah Emirates Towers, Dubai - United Arab Emirates.

The Emirates Towers complex is located at the Sheikh Zayed Road in Dubai, United Arab Emirates, and is a symbol of the city of Dubai.

The Emirates Towers is a building complex in Dubai that contains the Emirates Office Tower and Jumeirah Emirates Towers Hotel, which are connected by a 9,000 m² (96,875 sq ft) two-story retail complex known as "The Boulevard". The building is owned by Sheikh Mohammed Bin Rashid Al Maktoum. The two towers, which rise to 354.6 m (1,163 ft) tall to the tip and 241.4 m (792 ft) high of occupied space, respectively, stand as the 51st tallest buildings in the world and 11th tallest in Dubai.

CONGRESS INAUGURATION & OPENING CEREMONY

The opening ceremony of the 10th International Congress for Joint Reconstruction Middle East (ICJR ME) commenced with the UAE National Anthem followed by the recitation of the Holy Quran and welcome remarks by the congress leaders, **Dr. Mohamed Muath Adi**, President & **Dr. Jaber Alkhyeli**, Vice President.

An introductory speech was delivered by **Dr. Samih Al Tarabichi**, Congress Chairman, who emphasized on the importance of developing innovative ideas aimed to develop the orthopedics departments locally and internationally and to train healthcare professionals with the latest medical equipment and practices. He also encouraged all stakeholders to keep up with the rapid developments occurring in the field of orthopedics to improve the standards of care for patients in the UAE.

Another inspirational message was conveyed by our keynote speaker, **Prof. Donald M. Kastenbaum**, Physician-in-Chief, Mount Sinai Beth Israel, New York, USA and a representative of ICJR International. Prof. Kastenbaum gave insights about joint reconstruction in a global perspective through engaging visual presentations from the ICJR International.

ACCREDITATION

CME/CPD Accreditation

The 10th Annual Meeting of the International Congress of Joint Reconstruction Middle East (ICJR ME) was accredited with **31.5** CME/CPD Credit Hours by **Dubai Health Authority (DHA)**.

Congress CPD instructions: (www.ICJRMiddleEast.com)

- Please scan your E-badge upon every entry to the congress halls.
- CME/CPD Certificate can be obtained starting **10th May 2023** through the congress website.
- Log-in using the registered Email ID and Registration Number on your E-badge.
- Fill the evaluation form before downloading your certificate.
- The deadline to receive your Certificate is **30th July 2023**.

(Attendees will receive CME/CPD exclusively for the sessions ATTENDED)

SCIENTIFIC PROGRAM

The program was conducted in **2** main halls with **2** parallel sessions during the **3**-day congress.

Following Topics were the highlights of the congress

- ★ Hip Arthroplasty
- ★ Hip Revision
- ★ Shoulder Arthroplasty
- ★ Elbow Reconstruction
- ★ Innovation & Technology
- ★ Primary Knee Arthroplasty

- ★ Foot And Ankle Arthroplasty
- ★ Infection in Arthroplasty
- ★ Periprosthetic Fracture
- ★ MSK Oncology
- ★ Nursing Sessions
- ★ Physiotherapy

Following sessions were distributed across the three days

Day 1: Hall A

- Session 1: Hip Arthroplasty 1**
- Session 2: Hip Arthroplasty 2**
- Session 3: Hip Revision**
- Session 4: Shoulder Arthroplasty**
- Session 5: Elbow Reconstruction**

Day 1: Hall B

- Session 6: Meet the Expert “Hip Arthroplasty”**
- Session 7: Meet the Expert “Knee Arthroplasty”**

Day 2: Hall A

- Session 8: Innovation & Technology**
- Session 9: Primary Knee Arthroplasty**
- Session 10: Knee/Hip Arthroplasty Live/Re-Live Surgery**
- Session 11: Knee Arthroplasty 3 - Revision**
- Session 12: The Hot Seat Session (Difficulties in Knee Arthroplasty)**

Day 2: Hall B

- Session 13: Free Paper: Session 1**
- Session 14: Free Paper: Session 2**
- Session 15: Meet the Expert “Shoulder”**
- Session 16: Meet the Expert “Knee Sport Medicine”**

Day 3: Hall A

- Session 17: Foot And Ankle Arthroplasty: Hindfoot**
- Session 18: Infection in Arthroplasty**
- Session 19: Periprosthetic Fracture**
- Session 20: MSK Oncology**

Day 3: Hall B

- Session 21: Nursing Session 1**
- Session 22: Nursing Session 2**
- Session 23: Physiotherapy**
- Session 24: Foot & Ankle Arthroplasty – Midfoot & Forefoot**

Scientific Program

Day 1, Friday - 28 April 2023

08:00 - 08:30	Registration & Morning Coffee	
08:30 - 09:30	Session 1 Hip Arthroplasty 1	
	Moderators: Jean-Noel Argenson, Donald Kastenbaum, Näder Helmy & Sheik Hussain	
08:30 - 08:40	Update on bearing surfaces	Ali Al Belooshi
08:40 - 08:50	Direct anterior vs posterior approach	Näder Helmy & Feras Ya'ish
08:50 - 09:00	Spinopelvic alignment and THA	Sheik Hussain
09:00 - 09:10	3-D THR, Is it the future?	Michel Bonnin
09:10 - 09:20	The patient experience from scheduling to going home	Donald Kastenbaum
09:20 - 09:30	Q&A	
09:30 - 10:30	Session 2 Hip Arthroplasty 2	
	Moderators: Michel Bonnin, Remzie Tozun, Ibrahim Elganzoury & Tarek Abuzakuk	
09:30 - 09:40	Acetabular dysplasia, reconstruction versus cage/Jumbo cup	Oussama Chaar & Feras Ya'ish
09:40 - 09:50	Dual mobility cup pros and cons	Jean-Noel Argenson
09:50 - 10:00	What to use on 2023, Cemented or uncemented hip?	Tarek Abuzakuk & Ibrahim Elganzoury
10:00 - 10:10	Managing preop leg discrepancy with femoral shortening osteotomy	Remzie Tozun
10:10 - 10:20	Can we manage preop shortening in THR without femoral shortening?	Oussama Chaar
10:20 - 10:30	Q&A	
10:30 - 11:00	Opening Ceremony	
11:00 - 11:30	Coffee Break & Networking	
11:30 - 12:30	Session 3 Hip Revision	
	Moderators: Javad Parvizi, Oussama Chaar, Ahmad Shehadeh & Mojieb Manzary	
11:30 - 11:40	Preoperative investigation and planning for revision hip arthroplasty	Jean-Noel Argenson
11:40 - 11:50	Implant choice in revision, cemented vs uncemented	Ibrahim Gado & Ibrahim Tuncay

Scientific Program

Day 1, Friday - 28 April 2023

11:50 - 12:00	How to manage severe cup migration	Javad Parvizi	
12:00 - 12:10	Severe femoral bone defect, what to do?	Wael El Behairy	
12:10 - 12:20	Tips & Tricks for implant removal	Vinod Dasa	
12:20 - 12:30	Q&A		
12:30 - 13:00			
13:00 - 14:15 Friday Prayer & Lunch Break			
14:15 - 15:45	Session 4 Shoulder Arthroplasty		
	Moderators: Marouane Bouloudhnine, Hasan Baydoun & Jean David Werthel		
14:15 - 14:25	Concept of Reverse TSA	Marouane Bouloudhnine	
14:25 - 14:35	What is the best design of RSA in 2023?	Jean-David Werthel	
14:35 - 14:45	Management of glenoid bone loss in shoulder arthroplasty	Ali Al Suwaidi	
14:45 - 14:55	Managing the subscapularis in reverse shoulder replacement	Hasan Baydoun	
14:55 - 15:05	Exposure and release for RTSA tips and tricks, video	Jean David Werthel	
15:05 - 15:15	Short-stem uncemented anatomical shoulder replacement for osteoarthritis in patients older than 70 years: is it appropriate?	Pierre Mansat	
15:15 - 15:25	Proximal humerus fractures: Indications for prosthetic replacement	Usama Saleh	
15:25 - 15:45	Round Table Shoulder Discussion - 4 Clinical cases	Pierre Mansat	
15:45 - 16:15	Coffee Break & Networking		
16:15 - 18:00	Session 5 Elbow Reconstruction		
	Moderators: Ali Al Suwaidi, Saeed Al Thani, Usama Saleh & Pierre Mansat		
16:15 - 16:25	Factors of elbow stability	Usama Saleh	
16:25 - 16:35	Acute elbow instability	Marouane Bouloudhnine	
16:35 - 16:50	Complex elbow instability	Pierre Mansat	
16:50 - 17:00	Case presentation: Acute Elbow instability, how to manage the ligaments?	Marouane Bouloudhnine	
17:00 - 17:15	Distal humerus fractures: from ORIF to prosthetic replacement	Pierre Mansat	
17:15 - 17:25	Non Union of distal humerus fracture	Saeed Al Thani	
17:25 - 17:35	Tips and tricks of TEA for trauma	Pierre Mansat	
17:35 - 18:00	Round Table Elbow Discussion - Clinical cases		
18:00	End of Day 1		

Scientific Program

Day 1, Friday - 28 April 2023

13:00 - 13:30 Friday Prayer

14:15 - 15:45 Session 6
Meet the Expert "Hip Arthroplasty"

Moderators: Oussama Chaar, Feras Ya'ish & İbrahim Tuncay

14:15 - 14:25	Difficult primary	Tarek Abuzakuk
14:25 - 14:35	Difficult primary	Feras Ya'ish
14:35 - 14:45	Total Hip Arthroplasty in DDH without Osteotomy	Abdelhak Adjel
14:45 - 14:55	Difficult cup revision, cases discussion	İbrahim Gado
14:55 - 15:05	Total Hip Replacement in Girdlestone	Abdelhak Adjel
15:05 - 15:15	Cases discussion, hip dysplasia	Wael El Behairy
15:15 - 15:25	Revision Arthroplasty	Rashed Kameshki
15:25 - 15:35	Hip replacement in complex fracture	Sheik Hussain
15:35 - 15:45	Difficult stem revision, cases discussion	Oussama Chaar

15:45 - 16:15 Coffee Break & Networking

16:15 - 18:00 Session 7
Meet the Expert "Knee Arthroplasty"

Moderators: Samih Tarabichi, Javad Parvizi & Ali Al Belooshi

16:15 - 16:30	Case discussion of complex primary	Sébastien Parratte
16:30 - 16:45	Case discussion of complex revision	İbrahim Gado
16:45 - 17:00	Case discussion of complex Unicompartmental Knee Replacement	Ibrahim Elganzoury
17:00 - 17:15	Case on extensor mechanism disruption	Sultan Al Maskari
17:15 - 17:30	Case on osteotomy and arthroplasty	Ali Al Belooshi
17:30 - 18:00	Case discussion from Audience	Panel Discussion

18:00 End of Day 1

Scientific Program

Day 2, Saturday - 29 April 2023

08:00 - 08:30 Registration & Morning Coffee

08:30 - 10:00 Session 8
Innovation & Technology

Moderators: Mohamed Elfekky, Philippe Landreau & Murat Bozkurt

08:30 - 08:48	Materials in arthroplasty	Enrico Sandrini
08:48 - 08:57	Opioid/pain free total knee replacement	Alisa Buchman
08:57 - 09:06	New BCR knee	Vinod Dasa
09:06 - 09:15	Mid flexion instability myth or reality	Diego Zamagni
09:15 - 09:24	New Horizons in cartilage treatment	Samih Tarabichi
09:24 - 09:33	Custom made TKR my experience and vision	Murat Buzkurt
09:33 - 09:42	Meniscus advanced techniques	Philippe Landreau
09:42 - 09:51	Robotics in TKR is it really effective	Ali Al Belooshi
09:51 - 10:00	Q&A	

10:00 - 10:30 Coffee Break & Networking

10:30 - 12:30 Session 9
Primary Knee Arthroplasty

Moderators: Javad Parvizi, Ali Al Belooshi, Mohamed Muath ADI & Samih Tarabichi

10:30 - 10:40	Obesity and Diabetes before TKA: what can we accept?	Sultan Al Maskari
10:40 - 10:50	Is it safe to do bilateral TKA for patients with a BMI over 40?	Ali Al Belooshi
10:50 - 11:00	The totally painfree TKA: Myth or reality?	Jean-Noel Argenson
11:00 - 11:10	Approach in TKA: does it really matter?	Murat Buzkurt
11:10 - 11:20	What is Personalized alignment in TKA	Sébastien Parratte
11:20 - 11:30	How to achieve Personalized alignment?	Ali Al Belooshi
11:30 - 11:40	Tips and tricks to manage severe varus/valgus knee OA	Samih Tarabichi
11:40 - 11:50	Basic tips and tricks to avoid instability	Mojieb Manzary
11:50 - 12:10	Tips and tricks to manage and avoid flexion contracture?	Mohamed Muath ADI
12:10 - 12:20	Preventing Complications-Getting Your Patient Optimized For Surgery	Donald Kastenbaum
12:20 - 12:30	Q&A	

12:30 - 13:00

13:00 - 14:00 Lunch Break

Scientific Program

Day 2, Saturday - 29 April 2023

14:00 - 15:00 Session 10
Knee/Hip Arthroplasty Live/Re-Live Surgery

**Moderators: Donald Kastenbaum, Sébastien Parratte,
 Michel Bonnin & Mojib Manzary**

14:00 - 14:10	How I do a medial UKA?	Jean-Noel Argenson
14:10 - 14:20	How I do a lateral UKA?	Sébastien Parratte
14:20 - 14:30	How I do a TKA for a big varus deformity?	Michel Bonnin
14:30 - 14:40	THR by DA approach for the hip	Javad Parvizi
14:40 - 14:50	Hip replacement by Short posterolateral approach	Oussama Chaar
14:50 - 15:00	Q&A	

15:00 - 15:30 Coffee Break & Networking

15:30 - 17:00 Session 11
Knee Arthroplasty 3 - Revision

**Moderators: Jean-Noel Argenson, Yaqoub Al Hammadi,
 Ibrahim Elganzoury & Remzie Tozun**

15:30 - 15:45	When should we revise a painful TKA	Samih Tarabichi
15:45 - 16:00	Let's plan a revision TKA: Key point to consider before surgery	Remzie Tozun
16:00 - 16:15	When should we use a rotating hinge TKA?	Javad Parvizi
16:15 - 16:30	What should we do with the patella in revision TKA?	Sébastien Parratte
16:30 - 16:45	Ideal use of stems, cones and augments in 2023: The algorithm to decide	Ibrahim Tuncay
16:45 - 16:55	My 10 tips and tricks to avoid complications in revision TKA	Oussama Chaar
16:55 - 17:00	Q&A	

17:00 - 18:00 Session 12
The hot Seat Session (Difficulties in Knee Arthroplasty)

**Moderators: Ali Al Belooshi, Yaqoub Al Hammadi,
 Sébastien Parratte**

17:00 - 18:00	Hot topics and case discussion going through the patient's TKR journey
---------------	--

Donald Kastenbaum
 Jean-Noel Argenson
 Javad Parvizi
 Samih Tarabichi
 Oussama Chaar
 Michel Bonnin
 Ibrahim Tuncay
 Ibrahim Elganzoury
 Mojib Manzary
 Sultan Al Maskari

18:00 End of Day 2

Scientific Program

Day 2, Saturday - 29 April 2023

08:00 - 08:30	Registration & Morning Coffee	
08:30 - 10:00	Session 13 Free Paper: Session 1	Moderators: Feras Ya'ish, Jaber Alkhyeli, Saif Al Dhuhouri, Wail Tilakh & Mohamed Elfekky
08:30 - 08:43	Comparative Analysis of Utility and Efficacy of Ozone Therapy versus Laser Therapy in Periarthritis Shoulder	Harish Kumar 
08:43 - 08:56	Bioactive patches in the use to augment rotator cuff repairs	Ahmed Banibella  Elamin
08:56 - 09:09	Short-Term Results of Anatomical Convertible Elbow Replacement	Seif Sawalha 
09:09 - 09:22	Case Reports of Resurfacing Hip Conversion with Retention of the Monoblock Acetabular Shell	Mohammad  Movahedinia
09:22 - 09:35	Evaluation of the midterm results of the use of silver-coated megaprostheses in complex primary and revision lower limb arthroplasty	Hazem Wafa 
09:35 - 09:48	The Efficacy and Safety of Botulinum Toxin Type A Injection in pain management for Orthopedic Patients Undergoing Lower Limb Lengthening or Deformity Correction: A Systematic Review and Meta-analysis	Jawaher Alsharef 
09:48 - 10:00	Q&A	
10:00 - 10:30	Coffee Break & Networking	
10:30 - 12:30	Session 14 Free Paper: Session 2	Moderators: Feras Ya'ish, Jaber Alkhyeli, Saif Al Dhuhouri, Wail Tilakh & Mohamed Elfekky
10:30 - 10:43	The Use of 3-D Printing Technology in Patient Specific Tumor Resection and Implant Design, Review of 40 Patients	Ahmad Shehadeh 
10:43 - 10:56	A Young Patient with a Periprosthetic Distal Femur Fracture: An Approach to Treatment	Noura Baniyas 
10:56 - 11:09	First Reported Series of Outpatient Total Knee Arthroplasty in the Middle East	Karam Ragab  Abdelsamie
11:09 - 11:22	When to use a stem in primary TKA, A high-volume arthroplasty institution's Protocol	Mohamed ElKabbani 
11:22 - 11:35	Measurement of external rotation of femoral component in total knee arthroplasty using a simple device (K measure)	Jatinder Singh Luthra 

Scientific Program

Day 2, Saturday - 29 April 2023

11:35 - 11:48 Kinematic alignment outperforms mechanical alignment in simultaneous bilateral total knee arthroplasty; a prospective study Mohammad Sarzaem Mahdi Sarzaem

11:48 - 12:01 Case Report: Patellar tendon rupture anchor suture-based reconstruction in a periprosthetic septic knee Azza AlDaheri

12:01 - 12:14 Effectiveness of Cooled radiofrequency thermal therapy for patients with knee osteoarthritis: systematic review Jina Mo

12:14 - 12:30 Q&A

12:30 - 13:00

13:00 - 14:00 Lunch Break

14:00 - 15:00 Session 15

Meet the Expert "Shoulder"

Moderators: Jaber Alkhyeli, Marouane Bouloudhnine, Usama Saleh & Hasan Baydoun

14:00 - 14:10 What is the best planning software for shoulder arthroplasty in 2023? Jean-David Werthel

Nouf Alkaabi

Noura Baniyas

14:10 - 14:20 Shoulder Instability

14:20 - 14:30 Multidirectional Shoulder Instability

14:30 - 14:40 Cases presentation or discussions

14:40 - 14:50 Cases presentation or discussions

14:50 - 15:00 Q&A

15:00 - 15:30 Coffee Break & Networking

15:30 - 17:00 Session 16

Meet the Expert "Knee Sport Medicine"

Moderators: Nader Darwish, Mohammed Razi & Philippe Landreau

15:30 - 15:50 ACL tear

Philippe Landreau

Nader Darwish

15:50 - 16:10 ACL graft deficiency

Mohammed Razi

16:10 - 16:30 Posterolateral laxity

Philippe Landreau

16:30 - 16:50 Patella chronic instability

16:50 - 17:10 Cases presentation or discussions

17:10 - 17:20 Q&A

18:00 End of Day 2

Scientific Program

Day 3, Sunday - 30 April 2023

08:00 - 08:30 Registration & Morning Coffee

08:30 - 10:30 Session 17
Foot & Ankle Arthroplasty - Hindfoot

Moderators: Maan Taba, Moez Ballal & Salem Al Nuaimi

08:30 - 08:50 Total ankle replacements **VS** ankle fusions: Hussam Alrumaih are we at the tipping point? Pranith Revuri

08:50 - 09:10 End stage ankle osteoarthritis: & Leslie Cannon
Open ankle fusion **VS** Arthroscopic ankle fusion

09:10 - 09:30 Insertional Achilles tendinitis: Haris Naseem
Zadek osteotomy **VS** Speedbridge & Harpal Jadeja

09:30 - 09:50 The evolution of arthroscopic Brostrom Jordi Vega
repair for chronic ankle instability.

What's the current status? Maan Taba

09:50 - 10:10 Ankle instability: Open brostrom repair **VS** & Jordi Vega
Arthroscopic brostrom repair

10:10 - 10:30 Q&A

10:30 - 11:00 Coffee Break & Networking

11:00 - 11:45 Session 18
Infection in Arthroplasty

Moderators: Javad Parvizi, Ali Al Belooshi & Sultan Al Maskari

11:00 - 11:05 What is the definition of a PJI Mahmoud Abdel Karim
11:05 - 11:10 Comprehensive analysis of Javad Parvizi

CRP, ESR, PMN% in chronic PJI

11:10 - 11:15 I&D When and what are the contraindication Jaber Alkhayeli
11:15 - 11:20 PJI in patient under immunosuppressors Sultan Al Maskari

11:20 - 11:25 How to use AB and spacer preparation Mojieb Manzary
11:25 - 11:30 Does Intraarticular AB infusion improve Oussama Chaar

the outcome after revision

11:30 - 11:35 Updated criteria for the choice of single Javad Parvizi
or 2 stage revision

11:35 - 11:45 Q&A

11:45 - 12:30 Session 19
Periprosthetic Fracture

Moderators: Oussama Chaar, Mahmoud Abdel Karim,
Salem Al Shehri & Mohamed Muath ADI

11:45 - 11:55 The classification of periprosthetic Mahmoud Abdel Karim
fractures Feras Ya'ish

11:55 - 12:05 Management of failed fixation, case discussion Ali Al Belooshi

12:05 - 12:15 Segmental periprosthetic fracture, case discussion Javad Parvizi

12:15 - 12:25 When to fix? And when to replace?

12:25 - 12:30 Q&A

Scientific Program

Day 3, Sunday - 30 April 2023

12:30 - 13:00

13:00 - 14:00 Lunch Break

14:00 - 15:00 Session 20
MSK Oncology

Moderators: Philipp Berdel, Michael Sean Dudeney &
Donald Kastenbaum

14:00 - 14:10 Principles of Orthopaedic Oncology Michael Sean Dudeney 

14:10 - 14:20 Orthopaedic Oncology Surgery in Children Mohamed Mashhour 

14:20 - 14:30 Update in Orthopaedic Sarcoma Surgery Philipp Berdel 

14:30 - 14:40 Reconstruction with Mega-Prostheses in the lower extremities Raed Al Saruri 

14:40 - 14:50 Custom Made Implants (A Case Report) Philipp Berdel 

14:50 - 15:00 Q&A

15:00 - 15:30 Closing & Award Ceremony

15:30 End of Day 3

Scientific Program

Day 3, Sunday - 30 April 2023

Nursing

08:00 - 08:30 Registration & Morning Coffee

08:30 - 10:30 Session 21
Nursing Session 1

Moderators: Saed AlSalaymeh & Mojieb Manzary

08:30 - 08:35 Welcome Speech

Saed Salayme 

& Mojieb Manzary 

Priyalatha Muthu 

Mohammad Saleh 

08:35 - 08:50 Integration of Evidence Based Practice, Quality Improvement, and Research in Nursing Practice

Muna Al Hajri 

08:50 - 09:00 Risk Factors of Orthopedic Surgical Site Infection

Dana Al Yousef 

Comprehensive Nursing Care for TKR &THR

Nada Al Bokhari 

Changing the mindset of surgeons & patients

09:00 - 09:15 Multimodal Pain Management in Orthopedics Implications for Joint

09:15 - 10:25 Arthroplasty Surgery

10:25 - 10:30 Q&A

10:30 - 11:00 Morning Coffee Break & Networking

11:00 - 12:00 Session 22
Nursing Session 2

Moderators: Saed AlSalaymeh & Mojieb Manzary

11:00 - 11:10 Preoperative Education for Joint

Ana Peliteiro Neto 

11:10 - 11:20 Replacement Patients Nurses Role

Heba Ali El Madawy 

TKR, the changing paradigm; Towards same

11:20 - 11:30 day surgery / one night stay post op, how nursing care has evolved to go with the wave

11:30 - 11:40 IRAS - Nutrition Intervention in Orthopedic Danya Naser 
Patients Major Surgeries

11:40 - 11:55 Orthopedic surgical Site Infections: Mohammad Saleh 

11:55 - 12:00 Challenges of prevention and treatment Guidelines

Priyalatha Muthu 

Nursing Simulation & Critical Thinking to Improve Patient Safety

Q&A

Scientific Program

Day 3, Sunday - 30 April 2023

Physiotherapy

12:00 - 13:00

Session 23
Physiotherapy

Moderators: Saed AlSalaymeh & Mojeb Manzary

12:00 - 12:15	Post Shoulder Instability repair care; Rehab protocol	Fariba Fattahi 
12:15 - 12:25	Kneeling Challenge after TKR Kneeling Post TKR - Physiotherapist Perspective	Rowa Al Berawi &  Ariane Mae 
12:25 - 12:35	Acute POST TKR/THR physiotherapy perspective protocol	Dana Al Yousef 
12:35- 12:45	Strategies to minimize Post operative dislocation in THA Prevention- patients and family education	Sunitha Victor &  Tampaibema 
12:45 - 12:55	Early Mobility for Post Joint Replacement/	Dana Al Yousef 
12:55 - 13:00	Changing the mindset of surgeons & pt's Q&A	

12:30 - 13:00

13:00 - 14:00 Lunch Break

Foot & Ankle

14:00 - 15:30

Session 24
Foot & Ankle Arthroplasty - Midfoot & Forefoot

Moderators: Maan Taba, Moez Ballal, Nassef Muhammad & Hussam Alrumaih

14:00 - 14:15	Role of arthroscopy in ankle fractures	Nassef Muhammad 
14:15 - 14:30	Midfoot arthritis: Open midfoot fusion VS MIS midfoot fusion	Mishaal Alhadhoud &  Nassef Muhammad 
14:30 - 14:40	lateral VS medial surgical solutions for progressive collapsing adult foot deformity	Andrew Fogget &  Roger Haene 
14:40 - 14:55	Hallux Valgus: MIS bunion correction VS Open scarf for hallux valgus	Krishna Prasad Meda &  Moez Ballal 
14:55 - 15:10	Forefoot reconstruction: Open reconstruction VS MIS reconstruction	Hussam Darwish &  Hussam Alrumaih 
15:10 - 15:20	MIS foot and ankle surgery. Why all the fuss?	Hussam Darwish 
15:20 - 15:30	Q&A	

15:00 - 15:30 Closing & Award Ceremony

15:30

End of Day 3

INDUSTRY SYMPOSIUMS

Day 1

Friday - 28 April 2023

12:30 - 13:00

My Journey with AMIS

Prof. Näder Helmy

Dept. Head, Member of the board
Dept. of Orthopaedics
Bürgerspital, Solothurn
Switzerland

Day 2

Saturday - 29 April 2023

12:30 - 13:00

Personalized Knee Replacement in Revisions

Dr. Samih Tarabichi

Consultant Orthopedics Surgery
Al Zahra Hospital Dubai
UAE

Day 3

Sunday - 30 April 2023

12:30 - 13:00

16 years of Mako SmartRobotics – Clinical results in TKA, PKA and THA

Prof. Jon Conroy

Consultant Hip & Knee Surgeon
Healthpoint Hospital, Abu Dhabi
& Mubadala Health Dubai
UAE

Social Program During the Conference

The International Congress of Joint Reconstruction Middle East also organized a Dinner on Saturday, 29 April 2023 at **Al Khayma Heritage Restaurant**, Dubai.

All the invited guests were welcomed with the drinks followed by dinner.

Speakers and company representatives were also invited to this dinner to appreciate their support, hosted by the organizing committee.

Congress Evaluation

Overall congress feedback evaluation Overview

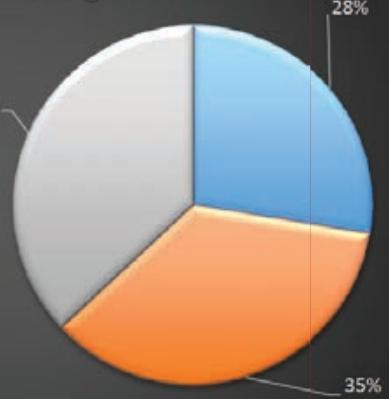

The congress did (or will) increase/improve my:

How do you anticipate changing your practice as a result of attending this congress?

- Change the management and/or treatment of my patients
- This activity validated my current practice
- Create/review protocols, policies and/or procedures

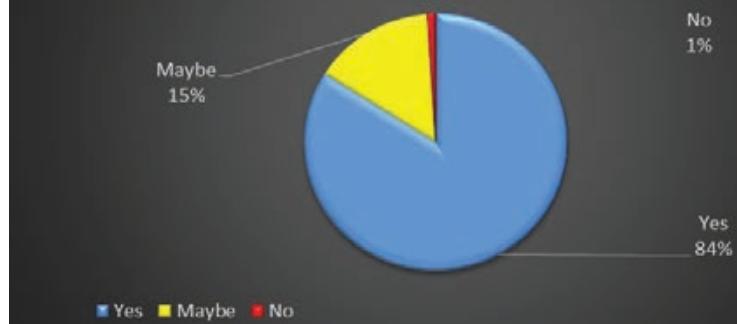

Please rate each of the following for the program:

1. Organization of content
2. Relevance of content
3. Opportunity to ask questions

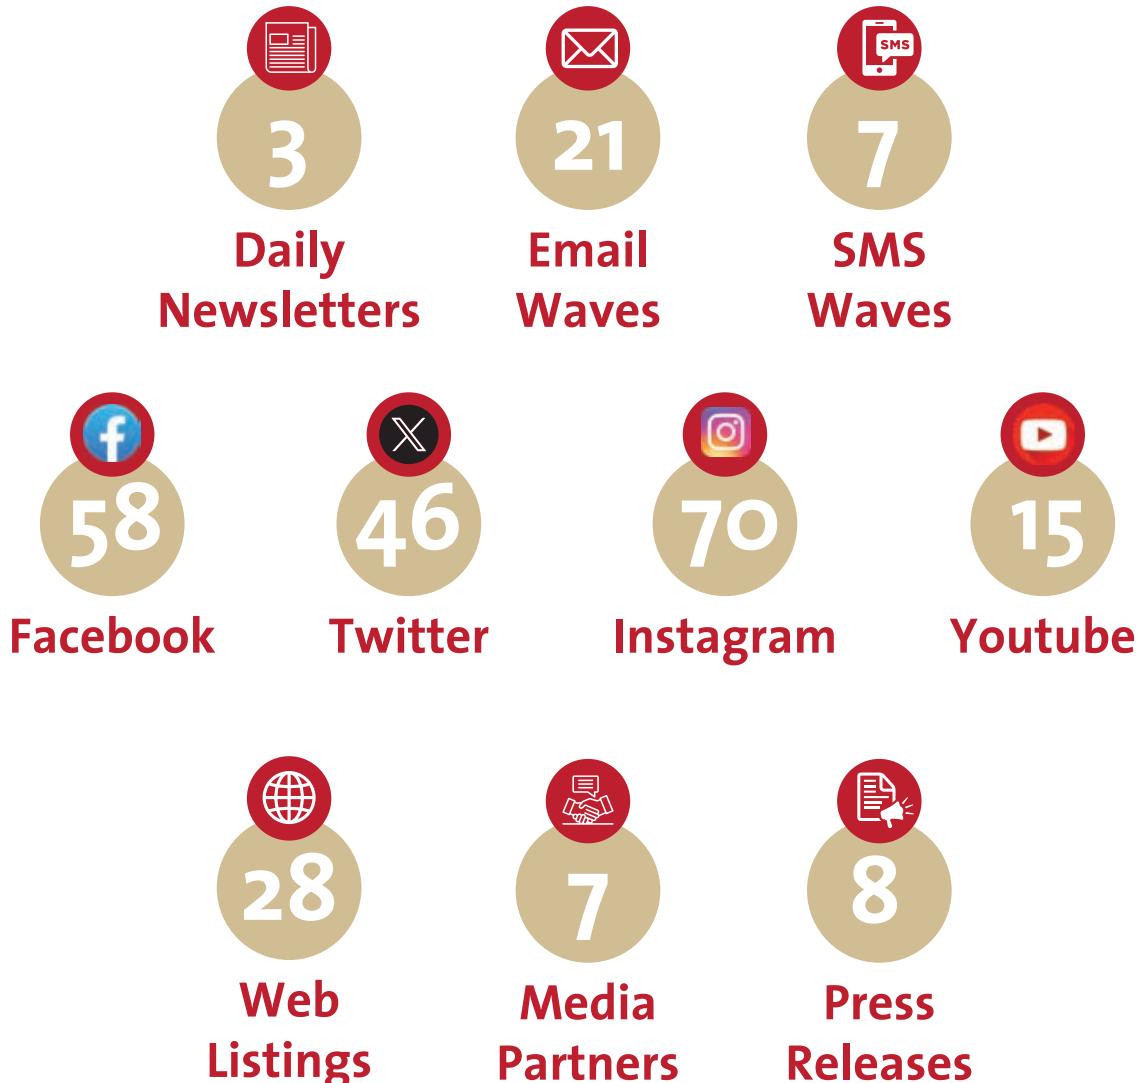

The 11th ICJR Middle East, is scheduled to take place on 26-28 April, 2024. Do you plan on attending it?

About us

The 10th Annual Meeting of the International Congress of Joint Reconstruction Middle East (ICJR ME) will be held from 28-30 April 2023 at Jumeirah Emirates Tower, Dubai UAE. This prestigious event has been growing steadily in popularity and significance since its inception nine years ago under the patronage of His Highness Sheikh Mohammed bin Rashid Al Maktoum, the prime minister of the United Arab Emirates and ruler of Dubai.

The congress aims to bring together orthopedic experts from all over the world to enhance professional knowledge, gain new insights, and exchange expertise. The focus is on providing a quality care experience for patients through innovative approaches and advancements in joint reconstruction and orthopedics.

The program will feature three days of plenary lectures, cutting-edge presentations, panel discussions, keynote addresses, and instructional course lectures by leading experts in orthopedics. There will be a Q&A forum at the end of every session, as well as an orthopedic nursing program running parallel to the congress.
