Consultant Orthopedic Surgeon
Burjeel Medical City
Abu Dhabi, UAE

It was a great honour for the ICJR Team to organize the 12th edition of the International Congress for Joint Reconstruction Middle East (ICJR ME), held from April 25 to 27, 2025, at the Jumeirah Emirates Towers in Dubai, United Arab Emirates.

This year's congress was proudly supported by the Dubai Health Authority (DHA), in partnership with the Emirates Medical Association (EMA) and Burjeel Medical City (BMC), and in collaboration with AO Recon — an esteemed global network of orthopedic surgeons dedicated to excellence in joint preservation and replacement education. We were further honored to receive endorsements from several respected regional and international organizations, including the Arab Shoulder and Elbow Association (ASEA), Emirates Orthopaedic Society (EOS), Asia Pacific Orthopaedic Association Dubai (APOA), Complex Joint Management Conference & Exhibition (CJM), Dubai Shoulder Course, Kuwait Orthopaedic Society, and the Orthopaedic Society of Oman.

On behalf of the organizing committee, I extend our deepest gratitude to all participants, faculty, sponsors, exhibitors, supporting organizations, and committee members whose efforts and commitment made this event a resounding success.

We warmly invite you to join us again next year for the 13th ICJR Middle East, scheduled for April 3–5, 2026, in Dubai. We encourage you to spread the word and bring your colleagues and peers along for what promises to be another outstanding event.

PROGRAM HIGHLIGHTS

Congress Objectives:

- Network with professional colleagues from across the country and around the world
- Evaluate a range of orthopaedic-related products for use in your clinical practice
- Expand your orthopaedic knowledge into new specialty areas
- Review research findings that impact your orthopaedic practice at the poster sessions and abstract presentations
- Obtain critical updates on new technology, products, and procedures
- Get grounded in orthopaedic basics if you are new to the field

The congress targeted participation from professionals in the following areas of practice:

- | | |
|-------------------------------------|---------------------------------------|
| • Orthopaedic Surgeons & Physicians | • General Practitioners |
| • Spine Surgeons | • Internists |
| • Neurosurgeons | • Researchers in rheumatic treatments |
| • Trauma Surgeons | • Professors |
| • Sports Medicine Physicians | • Consultants |
| • Rheumatologists | • Physicians |
| • Physiotherapists | • Nurses |
| • Joint Reconstruction Surgeons | • Technicians |
| • Foot & Ankle Surgeons | • Students |

The congress envisioned the following benefits for the participants:

- Earn **16.5 CME hours** accredited by the **Dubai Health Authority (DHA)**
- Meet and learn from an outstanding group of high-profile international speakers who will cover a range of exciting topics and provide the latest research and updates on rapid developments in orthopaedics
- Enhance your knowledge of the latest and most up-to-date technologies in the field of orthopaedics
- Network and build relationships with peers in the orthopaedic community
- Participate in various comprehensive and informative sessions, including panel discussions
- Obtain new information on technology and methodologies

The congress also received support and collaboration from **18** companies who sponsored and exhibited during the congress as well as received endorsement from **7** societies and associations.

VENUE AND ACCOMMODATION

The congress was held at Jumeirah Emirates Towers, Dubai - United Arab Emirates. The Emirates Towers complex, located on Sheikh Zayed Road in Dubai, United Arab Emirates, is a prominent symbol of the city.

This building complex includes the Emirates Office Tower and Jumeirah Emirates Towers Hotel, connected by a two-story retail space known as "The Boulevard," covering 9,000 m² (96,875 sq ft).

Owned by Sheikh Mohammed Bin Rashid Al Maktoum, the two towers rise to heights of 354.6 m (1,163 ft) to the tip and 241.4 m (792 ft) of occupied space, respectively. They rank as the 51st tallest buildings in the world and the 11th tallest in Dubai.

CONGRESS INAUGURATION & OPENING CEREMONY

The 12th ICJR-ME commenced with a recitation from the Holy Quran, marking a respectful and solemn beginning to the event.

Following this, a warm welcome was extended by Congress President, Dr. Mohamed Muath Adi, and Congress Vice-President, Dr. Jaber Alkhyeli. In their joint address, they welcomed esteemed guests, delegates, and participants and emphasized the Congress's commitment to advancing knowledge and sharing the latest developments in the field of orthopaedics and joint reconstruction, including cutting-edge surgical techniques and emerging clinical practices.

The inaugural address was delivered by Dr. Samih Tarabichi, Chairman of ICJR-ME. In his keynote remarks, Dr. Tarabichi underscored the critical role of innovation in transforming orthopaedic departments at both local and global levels. He highlighted the importance of equipping healthcare professionals with advanced training and state-of-the-art technology to meet the evolving demands of the specialty. He also stressed the necessity of staying aligned with rapid technological and clinical advancements in orthopaedics to improve patient outcomes and elevate the standard of care in the UAE and the region.

The ceremony also featured an insightful keynote speech by Dr. Manuj Wadhwa from India, the event's honorary speaker, entitled "How AI Can Transform the Life of an Orthopaedic Surgeon and Their Clinical Practice." Dr. Wadhwa explored the growing impact of artificial intelligence in orthopaedics, discussing its potential to revolutionize diagnostics, surgical planning, and personalized treatment.

This was followed by a ribbon-cutting and the official inauguration of the exhibition area, where the latest innovations, technologies, and services in orthopaedic care were showcased.

Dr. Muhammad Rajaei

Senior Consultant
Orthopaedics
Universiti Sains Malaysia
Kota Bharu, Kelantan, Malaysia

Dr. Jafrin Sadiq Abdul Razack

Medical Intern
Internal Medicine
Thumbay University Hospital
Ajman, UAE

Dr. Faseeh Shahab

Assistant Professor
Department of Orthopaedic
Surgery
Shahab Orthopaedic & General
Hospital
Peshawar, Pakistan

Prof. Hazem Wafa

Head of Clinic
Orthopaedic Surgery Department
Leuven University Hospital
c Belgium

ACCREDITATION INFORMATION

16.5 CME/CPD credit points by Dubai Health Authority (DHA)

Scientific Program

The dedicated scientific committee meticulously crafted a comprehensive and enriching program, designed to provide maximum benefit to all attendees. This thoughtfully organized agenda unfolded simultaneously across two parallel halls.

The following topics were covered:

- ☑ Hip Arthroplasty
- ☑ Sport (Pre-Metal)
- ☑ Hip Revision
- ☑ Shoulder Arthroplasty
- ☑ Knee Arthroplasty
- ☑ Innovation & Technology
- ☑ Primary Knee Arthroplasty
- ☑ Foot And Ankle Arthroplasty
- ☑ Infection in Arthroplasty
- ☑ Periprosthetic Fracture
- ☑ MSK Oncology
- ☑ Elbow Arthroplasty
- ☑ Physiotherapy

The 137 lectures were categorized into the following sessions:

Day 1: Hall A

- Session 1: Sport (Pre-metal Knee) - My best technique
- Session 2: Sport (Pre-metal Knee) - My best technique
- Session 3: Innovation & Latest Technology
- Session 4: Shoulder Arthroplasty
- Session 5: The hot Seat Session (Difficulties in Upper Limb)

Day 1: Hall B

- Session 6: Meet the Expert "Sport Case Discussion"
- Session 7: Meet the Expert "Innovation Case Discussion"

Day 2: Hall A

- Session 8: Knee Arthroplasty
- Session 9: Knee Symposium by "AO Recon"
- Session 10: Hip Symposium by "AO Recon"
- Session 11: The hot Seat Session (Difficulties in Knee/Hip Arthroplasty)

Day 2: Hall B

- Session 12: Meet the Expert "Hip Arthroscopy Session"
- Session 13: Meet the Expert "Oncology Arthroplasty - Case Discussion"
- Session 14: Foot & Ankle Joint Preserving & Arthroplasty
- Session 15: The hot Seat Session - My nightmare Cases

Day 3: Hall A

- Session 16: Cross-Fire Hip Arthroplasty
- Session 17: Infection in Arthroplasty
- Session 18: Periprosthetic Fracture

Day 3: Hall B

- Session 19: Free Paper Session
- Session 20: Rehabilitation Session
- Session 21: Rehabilitation Session

SCIENTIFIC PROGRAM

 **Friday**
25 April 2025

08:00 - 08:30

Registration & Morning Coffee

Session 1
08:30 - 09:30

08:30 - 08:40

Sport (Pre-metal Knee) - My best technique**Moderators:** Philippe Landreau, Nader Darwich, Sultan Almaskari

08:40 - 08:50

The Art of Precision: the Perfect Meniscectomy

Nader Darwich 

08:40 - 08:50

Posterior Lateral Meniscus Tear: Mattress Suture

Sultan Alshobaki 

08:50 - 09:00

BTB Graft harvesting Technique

Philippe Landreau 

09:00 - 09:10

QT harvesting

Sultan Almaskari 

09:10 - 09:20

Perneal Longus harvesting Technique

Azzam Fayyad 

09:20 - 09:30

Discussion - Q&A

Session 2
09:30 - 10:30

09:30 - 09:40

Sport (Pre-metal Knee) - My best technique**Moderators:** Murat Bozkurt, Ahmad Mousa & Amr Osman Thore Zantop 

09:40 - 09:50

Remnant ACL reconstruction

Murat Bozkurt 

09:50 - 10:00

Tibial Tuberosity Transposition

Ahmad Mousa 

10:00 - 10:10

Reshaping the Groove: Trochleoplasty

Amr Osman 

10:10 - 10:20

High Tibial Osteotomy

Philip Schoettle 

10:20 - 10:30

Advancing MPFL Reconstruction

Discussion - Q&A

10:30 - 11:00

Opening Ceremony

11:00 - 11:30

Morning Coffee Break & Networking

Session 3
11:30 - 12:30

11:30 - 11:38

Innovation & Latest Technology**Moderators:** Samih Tarabichi, Mohamed Elfekky & Mohamed Muath ADIPierfrancesco Robotti 

11:38 - 11:46

Silver Nanoparticles Coating for Orthopedic Implants

Yasir Tarabichi 

11:46 - 11:54

Orthopedic Surgeons vs. AI: Who Will Be Holding the Scalpel in 2030?

Mohadesse Rajaeirad 

11:54 - 12:02

Advancing Precision: FEA Innovations in Total Knee Arthroplasty

Mohamed Elfekky 

12:02 - 12:10

Open cryo ablation in total knee arthroplasty (Deceptively simple)

Imants Liepins 

12:10 - 12:18

Sapphire polyethylene (thinner but still stronger)

Marouane Bouloudhine 

12:18 - 12:30

The Acromio-Clavicular & Distal Clavicle Joint Stabilization , A new "AC-DC 3D

All-suture" technique without need for fluoroscopy and without metallic hardware

Discussion - Q&A

12:30 - 12:50

Industry Symposium 1

Cement Preparation & Cementing Technique in Arthroplasty

Axarlis Panagiotis 

13:00 - 14:00

Friday Prayer & Lunch Break

SCIENTIFIC PROGRAM

 **Friday**
25 April 2025

Session 4 14:00 - 15:30

Shoulder Arthroplasty

Moderators: Hasan Baydoun, Jaber Alkhyeli, Marouane Bouloudhnine & Usama Saleh

14:00 - 14:10
14:10 - 14:20
14:20 - 14:30
14:30 - 14:40
14:40 - 14:50
14:50 - 15:00
15:00 - 15:30

30 years of reverse arthroplasty - what we have learned

Ludwig Seebauer 

Management of peri prosthetic shoulder arthroplasty

Saeed Al Thani 

2025 Do we still repair subscapularis in reverse shoulder arthroplasty?

Hasan Baydoun 

Management of glenoid bone loss in RSA

Saad Al Qahtani 

Operative management of proximal humerus fracture, osteosynthese versus arthroplasty

Ludwig Seebauer 

Young arthritic shoulder

Usama Saleh 

Discussion - Q&A

15:30 - 15:50

Industry Symposium 2

Anterior Minimally Invasive Approach (AMIS) for Total Hip Arthroplasty: Should it be the standard?

Gianluca Cusma 

15:50 - 16:15

Afternoon Coffee Break & Networking

Session 5 16:15 - 17:30

The hot Seat Session (Difficulties in Upper Limb)

Panelists: Ludwig Seebauer, Saeed Al Thani, Hasan Baydoun & Saad Al Qahtani

16:15 - 16:25
16:25 - 16:35
16:35 - 16:45
16:45 - 16:55
16:55 - 17:05
17:05 - 17:30

Shoulder replacement

Saad Al Qahtani 

Clavicle Bone loss

Jaber Alkhyeli 

Articulate Distal humerus fractures: Fight for ORIF

Marouane Bouloudhnine 

Complex revision arthroplasty

Mouhamed El Sayad 

Challenges in shoulder replacement

Mohamed Louay Jabban 

Discussion - Q&A

17:30

End of Day 1

SCIENTIFIC PROGRAM

 **Friday**
25 April 2025

Session 6 14:00 - 15:30

Meet the Expert "Sport Case Discussion"

Moderators: Philippe Landreau, Nader Darwich, Ahmad Mousa & Erik Hohmann

14:00 - 14:15

When the Graft Fails You: Second Chances in ACL Reconstruction

Nader Darwich 

14:15 - 14:30

When Everything Tears: Rebuilding Stability Brick by Brick

Erik Hohmann 

14:30 - 14:45

Preserve the Pad: Meniscus First, Always

Sultan Almaskari 

14:45 - 15:00

We must always try to Save the Joint

Murat Bozkurt 

15:00 - 15:15

When the Surface Fails: Navigating the Challenges of Cartilage Injury

Ahmad Mousa 

15:15 - 15:30

The Wandering Patella: Finding the Path Back to Stability

Philippe Landreau 

15:30 - 15:50

 Industry Symposium 2

Hall A

15:50 - 16:15

 Afternoon Coffee Break & Networking

Session 7 16:15 - 17:30

Meet the Expert "Innovation Case Discussion"

Moderators: Oussama Chaar, Yesir Tarabichi, Mohamed Elfekky & Murat Bozkurt

16:15 - 16:30

From Surface to Face Changer: Continuous Improvement In Acetabular Cup Design Pierfrancesco Robotti 

16:30 - 16:45

Use of robotic assisted technique in complex primary total hip replacement Mohamed Attia Metwally 

16:45 - 17:00

Knee revision implant design considerations Samih Tarabichi 

17:00 - 17:15

3D printed custom made total knee arthroplasty Attaallah Alrefaee 

17:15 - 17:30

Newton technology Raymond Bradley 

17:30

End of Day 1

SCIENTIFIC PROGRAM

 **Saturday**
26 April 2025

08:00 - 08:30

 **Registration & Morning Coffee**

Session 8 08:30 - 10:30

08:30 - 08:40

Knee Arthroplasty

Moderators: Yaaqoub Al Hammadi, Manuj Wadhwa, Sebastien Parratte & Mohamed Muath ADI

Osteotomies around the knee: modern concepts

Muhyeddine Al Taki 

08:40 - 08:50

Is there a place for UKA in the Middle-East?

Sultan Almaskari 

08:50 - 09:00

Is it the end of PS Knees?

Mohamed Muath ADI 

09:00 - 09:10

Intra-Op complication in TKR

Manuj Wadhwa 

09:10 - 09:20

How to manage difficult primaries?

Samih Tarabichi 

09:20 - 09:30

Knee Alignment Differences Between Middle Eastern and Asian Populations: Myth or Reality?

Oussama Chaar 

09:30 - 09:40

Hot topic: How will AI transform Knee arthroplasties?

Sebastien Lustig 

09:40 - 09:50

Discussion - Q&A

Cross Fire

09:50 - 10:00

Battle: Kinematic **Vs.** Mechanical

Sebastien Parratte  **Vs.** Mohamed Elkabbani 

10:00 - 10:10

Battle: Robotic **Vs.** Conventional

Manuj Wadhwa  **Vs.** Samih Tarabichi 

10:10 - 10:20

Battle Knee Revision: Cementless stem **Vs.** short Cemented stem

Feras Ashouri  **Vs.** Feras Ya'ish 

10:20 - 10:30

Discussion - Q&A

10:30 - 11:00

 **Morning Coffee Break & Networking**

Session 9 11:00 - 12:30

Knee Symposium by "AO Recon"

Moderators: Feras Ya'ish, Mansour Sadeqi, Mojieb Manzary & Mohammad Allami

11:00 - 11:09

Getting more flexion from a TKA

Sammy Hanna 

11:10 - 11:19

Understanding alignment principles in TKA

Mohammed Allami 

11:20 - 11:29

Pain Management for TKA

Amar Salti 

11:30 - 11:39

How I do robotic TKA; journey through planning & delivery

Sebastien Lustig 

11:40 - 11:49

Oops; patellar tendon MCL injuries during TKA; how to manage?

Luigi Zagra 

11:50 - 11:59

Intra-operative troubleshooting and pitfalls during robotic surgery; how to manage?

Sebastien Lustig 

12:00 - 12:09

TKA in morbidly obese patients; technical tips

Ibrahim ElGanzoury 

12:10 - 12:19

Secrets to successful Unicompartmental UKA; Technical tips

Sebastien Parratte 

12:20 - 12:30

Discussion - Q&A

12:30 - 12:50

 **Industry Symposium 3**
Moderator: Samih Tarabichi

12:30 - 12:40

Flexion Deformity Correction in TKR

Meril

Manuj Wadhwa 

12:40 - 12:50

Advancing Arthroplasty: My Journey with Active Robotics

More to Life

Pramod Bhora 

13:00 - 14:00

 **Lunch Break**

Session 10
14:00 - 15:30
Hip Symposium by "AO Recon"
Moderators: Feras Ya'ish, Orfan Arafah, Luigi Zagra & Mahmoud Abdelkarim

14:00 - 14:09
14:10 - 14:19
14:20 - 14:29
14:30 - 14:39
14:40 - 14:49
14:50 - 14:59
15:00 - 15:09
15:10 - 15:19
15:20 - 15:30

Painful acetabular dysplasia: correction? Or wait for THR?
THR for acetabular dysplasia Crowe 2,3; The acetabular perspective
THR for acetabular dysplasia Crowe 4; The Femur perspective
THR in Sickle cell disease
Short stems in THR
Why I use collared stems in THR
THR for acetabular fractures
Removal of well fixed implant in THR

Discussion - Q&A

Sheikh Hussein 
Orfan Arafah 
Luigi Zagra 
Mojeib Manzary 
Karl Stoffel 
Mansour Sadeqi 
Mahmoud Abdelkarim 
Imran Ilyas 

15:30 - 15:50

Industry Symposium 4

Simplicity, The Next Chapter of Robotics

Johnson & Johnson
MedTech

Samuel Arkle 

15:50 - 16:15

Afternoon Coffee Break & Networking

Session 11
16:15 - 17:45
The hot Seat Session (Difficulties in Knee/Hip Arthroplasty)
Moderators: Sebastien Parratte & Mohamed Muath ADI

Part 1: Direct Short Questions
Part 2: Case based discussion
Case 1: Painfull UKA
Case 2: Instable TKA
Case 3: Stiff TKA
Case 4: Loose TKA

Panelists

Samih Tarabichi 
Oussama Chaar 
Manuj Wadhwa 
Yaaqoub Al Hammadi 
Sultan Almaskari 
Imran Ilyas 
Rik Kundra 
Feras Ya'ish 
Mojeib Manzary 
Ibrahim ElGanzoury 
Luigi Zagra 

17:45

End of Day 2

SCIENTIFIC PROGRAM

 **Saturday**
26 April 2025

08:00 - 08:30

 **Registration & Morning Coffee**

Session 12
08:30 - 10:30

Meet the Expert "Hip Arthroscopy Session"

Moderators: Ossama Abdallah, Sheikh Hussein & Max Fehily

08:30 - 08:45

Update in cartilage treatment and talk about using stem cells, scaffolds and minced cartilage grafting?

Max Fehily 

08:45 - 09:00

Snapping hip

Ossama Abdallah 

09:00 - 09:15

FAI - from repair to reconstruction of the labrum

Thomas Nau 

09:15 - 09:30

Athletic groin injuries, imaging to intervention.

Sheikh Hussein 

09:30 - 09:45

Femoro-acetabular Impingement, open versus arthroscopic

Ahmed ElBakoury 

09:45 - 10:00

Persistent hip pain after hip arthroscopy

Ilari Pajamaki 

10:00 - 10:15

Hip arthroscopy outcomes in Denmark

 Bent Lund

10:15 - 10:30

Hip arthroscopy outcomes in UK

Max Fehily 

10:30 - 11:00

 **Morning Coffee Break & Networking**

Session 13
11:00 - 12:30

Meet the Expert "Oncology Arthroplasty - Case Discussion"

Moderators: Mohamed Mashhour, Philip Berdel & Raed Al Saruri

11:00 - 11:15

Bone and Soft-tissue Biopsy for Musculoskeletal Neoplasms

Sean Dudeney 

11:15 - 11:30

Sarcomas of the Upper Extremity

Philip Berdel 

11:30 - 11:45

Biological VS Endoprosthetic Reconstruction in Pediatric Patients with Osteosarcoma

Mohamed Mashhour 

11:45 - 12:00

Sarcoma of the Lower Extremity

Raed Al Saruri 

12:00 - 12:15

Soft-tissue Neoplasms: Challenges and Updates

Mohamed Mashhour 

12:15 - 12:30

Discussion - Q&A

12:30 - 12:50

 **Industry Symposium 3**

Hall A

13:00 - 14:00

 **Lunch Break**

Session 14
14:00 - 15:30

Foot & Ankle Joint Preserving & Arthroplasty

Moderators: Moez Ballal, Husam Darwish, Ossama Elshazly & Maan Taba

14:00 - 14:20

TAR in 2025, Are the results different

Husam Darwish 

14:20 - 14:40

Debate 1: Advanced Hallux rigidus

Osama Elshazly **Vs.** 

Fusion **Vs.** MTP joint arthroplasty

Muhammad Khalifa 

14:40 - 15:00

Debate 2: 35 Recurrent Talus osteochondral lesion patient specific metal implant **Vs.** Chondral Patch

Ahmed Kholeif **Vs.** 

Mohammed Turkey 

15:00 - 15:20

End stage Ankle Arthritis Fusion **Vs.** TAR

Leslie Cannon  **Vs.** Husam Darwish 

15:20 - 15:30

Discussion - Q&A

SCIENTIFIC PROGRAM

 **Saturday**
26 April 2025

15:30 - 15:50

Industry Symposium 4

Hall A

15:50 - 16:15

Afternoon Coffee Break & Networking

Session 15
16:00 - 17:30

The hot Seat Session - My nightmare Cases - What you would do better!

Moderators: Moez Ballal, Muhammad Khalifa, Ahmed Kholeif & Maan Taba

16:00 - 16:10

Case 1: Infected TTC fusion

Praneeth Revuri 

16:10 - 16:20

Case 2: Unsalvageable & recurrent tears of both peroneal tendon

Muhammad Khalifa 

16:20 - 16:30

Case 3: Achilles tendon avulsion, an iatrogenic complication

Leslie Cannon 

16:30 - 16:40

Case 4: What could have been done better Talar neck fracture

Ahmed Kholeif 

16:40 - 16:50

Case 5: Simple fracture in diabetic turned in nightmare

Osama Elshazly 

16:50 - 17:00

Case 6: Malreduction of an ankle fracture: How did this case change my practice?

Husam Darwish 

17:00 - 17:30

Discussion - Q&A

17:30

End of Day 2

INDUSTRY WORKSHOPS

 **Saturday**
26 April 2025

4th Floor - Meeting Suite 1

11:00 - 12:30

Workshop 1

Reimagining Knee Arthroplasty: The Path to Better Outcomes

Prof. Paolo Salari 

8th Floor - Meeting Suite 1

11:00 - 12:00

Workshop 2

Arthroplasty Technologies & Cementing Techniques

Panagiotis Axarlis 

4th Floor - Meeting Suite 1

02:30 - 03:30

Workshop 3

"Hello Humans"- Misso in Action - Active Robotics workshop

Dr. Shailendra Patil 

03:30 - 04:30

Workshop 4

"Hello Humans"- Misso in Action - Active Robotics workshop

Dr. B S Murthy 

SCIENTIFIC PROGRAM

 **Sunday**
27 April 2025

08:00 - 08:30

 **Registration & Morning Coffee**

Session 16
08:30 - 10:30

08:30 - 08:50
08:30 - 08:38
08:38 - 08:46
08:46 - 08:50

Cross-Fire Hip Arthroplasty

Moderators: Sebastian Lustig, Oussama Chaar, Feras Ya'ish & Luigi Zagra

Arthroplasty for NOF#; to cement or not to cement the femoral stem

Cementless

Cemented

Discussion - Q&A

Oussama Chaar 
Sheikh Hussein 

08:50 - 09:20
08:50 - 08:58
08:58 - 09:06
09:06 - 09:10

Displaced NOF in a 60 yr old independently outdoor mobile patient

THA

Bipolar Hemi

Discussion - Q&A

Mahmoud Abdelkarim 
Ahmed Alghamdi 

09:10 - 09:20

Anterior approach for hip arthroplasty: challenges and limits

Ikram Nizam 

09:20 - 09:35

KeyNote lecture 1:

The Evolution of Robotic Surgery in Knee and Hip Replacement:
Where Are We Now and What's Next?

Murat Bozkurt 

09:40 - 10:10
09:40 - 10:05
10:05 - 10:10

Young Knee Great Debate

UKA **Vs.** TKA vs osteotomy in the young patient with OA

Discussion - Q&A

Sebastien Lustig  **Vs.** Sebastien Parratte 

10:10 - 10:25

KeyNote lecture 2: Current Concepts in hip-spine relationships: making them practical for THA

Luigi Zagra 

10:25 - 10:30

Discussion - Q&A

10:30 - 10:50

 **Industry Symposium 5**

TKR using PSI knee: why use a robot?!

Feras Ya'ish 

11:00 - 11:30

 **Morning Coffee Break & Networking**

Session 17
11:30 - 12:30

11:30 - 11:40
11:40 - 11:50
11:50 - 12:00
12:00 - 12:10
12:10 - 12:20
12:10 - 12:30

Infection in Arthroplasty

Moderators: Imran Ilyas, Ibrahim ElGanzoury, Samih Tarabichi & Sheik Hussain

Practical approach to diagnosis of PJI

PJI; DAIR, single stage, or two-stage; a guide to successful treatment

How to do debridement in infected PJI?

Management of unusual infective organisms in PJI

Does the synergy between local and systemic AB improve outcomes in PJI?

Discussion - Q&A

Luigi Zagra 
Sheikh Hussein 
Feras Ya'ish 
Mahmoud Abdelkarim 
Oussama Chaar 

Session 18
12:30 - 13:30

12:30 - 12:40
12:40 - 12:50
12:50 - 13:00
13:00 - 13:10
13:10 - 13:20
13:20 - 13:30

Periprosthetic Fracture

Moderators: Bilal El Yafawi, Omar Sabri, Oussama Chaar & Khalid Almazmi

B1 fracture; Is the stem loose or not?

Megaprosthesis in PP#

Transverse B1 stem tip fracture; fix or replace?

Fixation principles and biomechanics

Intra-operative knee peri-prosthetic fractures

Discussion - Q&A

Karl Stoffel 
Luigi Zagra 
Karl Stoffel 
Omar Sabri 
Feras Ya'ish 

13:30 - 13:45

 **Closing & Award Ceremony & End of Day 3**

13:45 - 14:30

 **Lunch Break**

SCIENTIFIC PROGRAM

 **Sunday**
27 April 2025

08:00 - 08:30

 **Registration & Morning Coffee**

Session 19
08:30 - 09:50

08:30 - 08:40

Free Paper Session

Moderators: Saif Al Dhuhoori, Wail Tilakh & Mohamed Elfekky

Ajman's Youth in Sport: Unraveling Injury Trends and factors:
Cross-Sectional Study

Jafrin Abdul Razack 

08:40 - 08:50

Ankle Joint Alignment Adaptaion After Correcting Knee Varus Deformity
by Unilateral Primary Total Knee Arthroplasty

Ahmed Khalifa 

08:50 - 09:00

Correlation of Pelvic Incidence and Acetabular Orientation Using 3D Computed
Tomography Image Measurement

Muhammad Rajaei 

09:00 - 09:10

Donor Site Morbidity after Peroneus Longus Tendon Harvest for Anterior
Cruciate Ligament Reconstruction

Faseeh Shahab 

09:10 - 09:20

How to identify the level of calcaneal osteotomy in Evans procedure

Andrey Sapogovskiy 

09:20 - 09:30

Joint line restoration during revision knee arthroplasty

Valeriy Murylev 

09:30 - 09:40

Management of a Complex Multiligament Knee Injury: Simultaneous
Reconstruction of ACL, PCL & Both Meniscal Roots

Mohanad Abdulgadir 

09:40 - 09:50

Discussion - Q&A

Session 19
09:50 - 11:00

09:50 - 10:00

Free Paper Session

Moderators: Ahmad Mousa, Jaber AlKhyeli & Hayder Al Saadi

Comparative Efficacy of Cementless Bipolar Hemiarthroplasty vs
Proximal Femoral Nail Anti-Rotation in the Treatment of Unstable
Intertrochanteric Fractures

Nujud Mohamed 

10:00 - 10:10

Kinematic alignment technique outperforms mechanical alignment in
simultaneous bilateral total knee arthroplasty

Mohammad Movahedinia 

10:10 - 10:20

Long-term results of simultaneous partial knee arthroplasty and anterior
cruciate ligament reconstruction

Oleg Pimanchev 

10:20 - 10:30

The Efficacy of Hip and Knee Muscles Strengthening Vs. Knee Muscle
Strengthening Alone in Managing Patellofemoral Pain Syndrome

Amr Garout 

10:30 - 10:40

Two-Stage Revisions for Infection: What are the long-term results in Massive
Endoprostheses?

Hazem Wafa 

10:40 - 10:50

Simultaneous Femoral Wedge Osteotomy and THR With a Conical Stem

Gianluca Guatterri 

10:50 - 11:00

Discussion - Q&A

10:30 - 10:50

 **Industry Symposium 5**

Hall A

11:00 - 11:30

 **Morning Coffee Break & Networking**

Session 20
11:30 - 12:30

11:30 - 11:45

Rehab Session

Moderators: Abdulla Al Rahoomi & Dr. Mahesh Cirasnanambati

Upper Limb Rehab Across The Lifespan - An Occupational Therapy Approach

Laura Reid 

11:45 - 12:00

Chronic Post Surgical Knee Pain - Treatment Options

Sadiq Bhayani 

12:00 - 12:15

Recent Updates In Post-Surgical Disc Arthroplasty Rehabilitation

Rama Govind Managoli 

12:15 - 12:30

Discussion - Q&A

Session 21
12:30 - 13:30

12:30 - 12:45

Rehab Session

Moderator: Abdulla Al Rahoomi & Dr. Mahesh Cirasnanambati

Sporting Activity After Total Joint Replacement

Cecile Michau

ABSTRACTS

The congress received a total of **39** abstract submissions from participants across various specialties. Following a thorough review by the scientific committee, **13** abstracts were selected for inclusion in the Oral Presentation category, highlighting research and innovations deemed most suitable for live discussion and engagement. The remaining **26** abstracts were approved for the Poster Presentation category, offering a platform for researchers to showcase their work in a visual format and engage with attendees throughout the event. This balanced selection ensured a comprehensive representation of diverse topics and encouraged active academic exchange among participants.

ORAL ABSTRACTS COMPETITION WINNERS

1st WINNER - BEST ORAL PRESENTATION CERTIFICATE

Author: Muhammad Rajaei

Abstract Title: Correlation of Pelvic Incidence and Acetabular Orientation Using 3D Computed Tomography Image Measurement

2nd WINNER

Author: Amr Garout

Co-Authors: Mumen Halabi, Belal Alturkistani, Rayan Abuhadi, Faisal Almuqbil & Mohammed Alshehri

Abstract Title: The Efficacy of Hip and Knee Muscles Strengthening Versus Knee Muscle Strengthening Alone in Managing Patellofemoral Pain Syndrome: A Systematic Review and Meta-Analysis

3rd WINNER

Author: Faseeh Shahab

Co-Author: Qaisar Azeem

Abstract Title: Donor Site Morbidity after Peroneus Longus Tendon Harvest for Anterior Cruciate Ligament Reconstruction

4th WINNER

Author: Omar AlGhamdi

Abstract Title: Dual Arthroscopic Approach for Simultaneous Bankart Lesion Repair and AC Joint Stabilization: A Case Study

Oral Presentation Winner

Author: **Mr. Muhammad Rajaei**

Title: **Correlation of Pelvic Incidence and Sacrospinous Ligament Plication Using 3D Computed Tomography Images**

Oral Presentation Winner

Author: **Mr. Amr Garout**

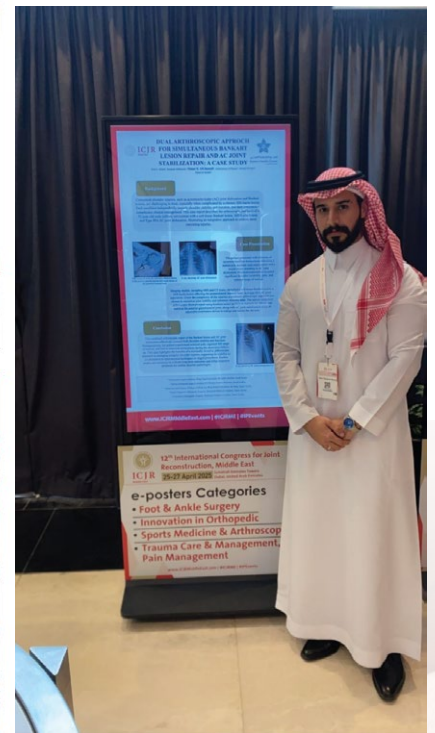

Co-Author: Mr. Mumen Halabi, Mr. Belal Alturkistani, Mr. Rami Abu Al-Fatih, Mr. Faisal Almuqbil, Dr. Faisal Almuqbil, Dr. Faisal Almuqbil

Oral Presentation Winner

Author: **Dr. Faseeh Shahab**

Co-Author: Dr. Faisal Almuqbil

POSTER ABSTRACTS COMPETITION WINNERS

1st WINNER

Author: Valeriy Murylev

Abstract Title: Determination of serum and synovial PJI markers as a criteria for choosing treatment tactics before revision hip arthroplasty

2nd WINNER

Author: Oleg Pimanchev

Abstract Title: Hip Replacement Throuth Modified Anterior Approach. Comparative Analysis

3rd WINNER

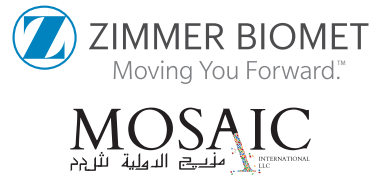

Author: Andrey Sapogovskiy

Abstract Title: New test of Achilles tendon shortening evaluation in children with flatfoot

INDUSTRY SYMPOSIUMS

Our industry partners actively participated in the program and hosted their symposiums. Their input added value to the congress, and the delegates engaged in these interesting topics.

Day 1 - Symposium 1

Symposium Title: Cement Preparation & Cementing Technique in Arthroplasty

Speaker: Axarlis Panagiotis

Day 2 - Symposium 2

Symposium Title: Anterior Minimally Invasive Approach (AMIS) for Total Hip Arthroplasty: should it be the standard?

Speaker: Gianluca Cusma

Day 2 - Symposium 3

Symposium Title I: Flexion Deformity Correction In TKR

Speaker: Manuj Wadhwa

Symposium Title II: Advancing Arthroplasty: My Journey with Active Robotics

Speaker: Pramod Bhor

Day 2 - Symposium 4

Symposium Title I: Simplicity, The Next Chapter of Robotics

Speaker: Samuel Arkle

Day 3 - Symposium 5

Symposium Title I: TKR using PSI knee: why use a robot?

Speaker: Feras Ya'ish

SOCIAL PROGRAMS

Faculty Dinner

As part of the ICJR ME tradition, a special faculty dinner was held on the evening of 25th of April at the Abd El Wahab Restaurant, located in Souk Al Bahar, Downtown Dubai. This exclusive gathering offered faculty members a relaxed and culturally enriching environment to network and unwind.

Renowned for its elegant marble courtyard and serene ambiance, the venue provided breathtaking views of the Burj Khalifa and the Dubai Fountain. The experience was further elevated by the restaurant's Umawi- inspired architecture and the captivating rhythms of the fountain show.

Guests enjoyed a rich selection of traditional Lebanese cuisine accompanied by live music, fostering a warm and convivial atmosphere throughout the evening.

About Abd El Wahab

Named after the street where it originated in Beirut, Lebanon, Abd El Wahab Restaurant captures the essence of Lebanese hospitality. Its oriental décor—featuring Damascene walls, brass accents, and blown-glass elements—celebrates authentic craftsmanship. The restaurant serves a variety of classic mezze, daily specialties, and offers narguileh (shisha), all complemented by panoramic views of iconic landmarks including the Burj Khalifa and Dubai Mall.

Gala Dinner

On Saturday, 26th of April, the congress hosted its official Gala Dinner at the prestigious Jumeirah Emirates Towers in Dubai. Guests were greeted with welcome drinks and treated to a live performance of Al -Ayyala — the UAE's most iconic traditional dance. This vibrant cultural display, performed by men and boys with thin bamboo canes, featured synchronized movements set to the rhythmic beat of drums, as well as live Oud and zither performances.

Following the cultural presentation, a formal dinner was served. The evening also included special acknowledgments of guest speakers and representatives from sponsoring companies, in recognition of their valuable contributions to the success of the congress.

CONGRESS EVALUATION

General Overview of Congress Feedback

CONGRESS EVALUATION

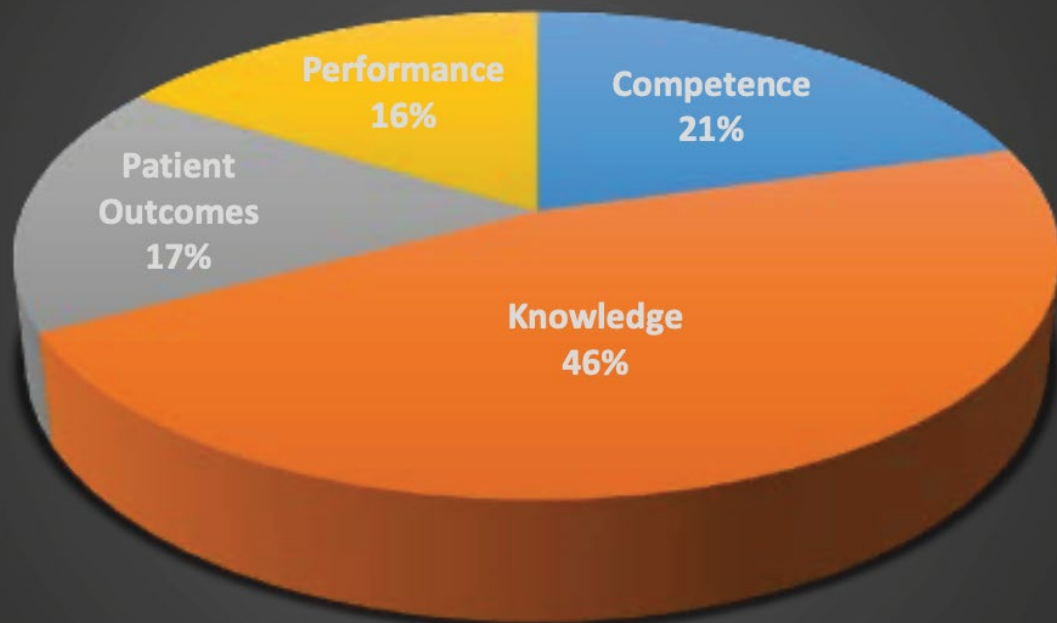

How would you rate the content of the 12th ICJR Middle East ?

How would you rate the overall relevancy of the content to your practice?

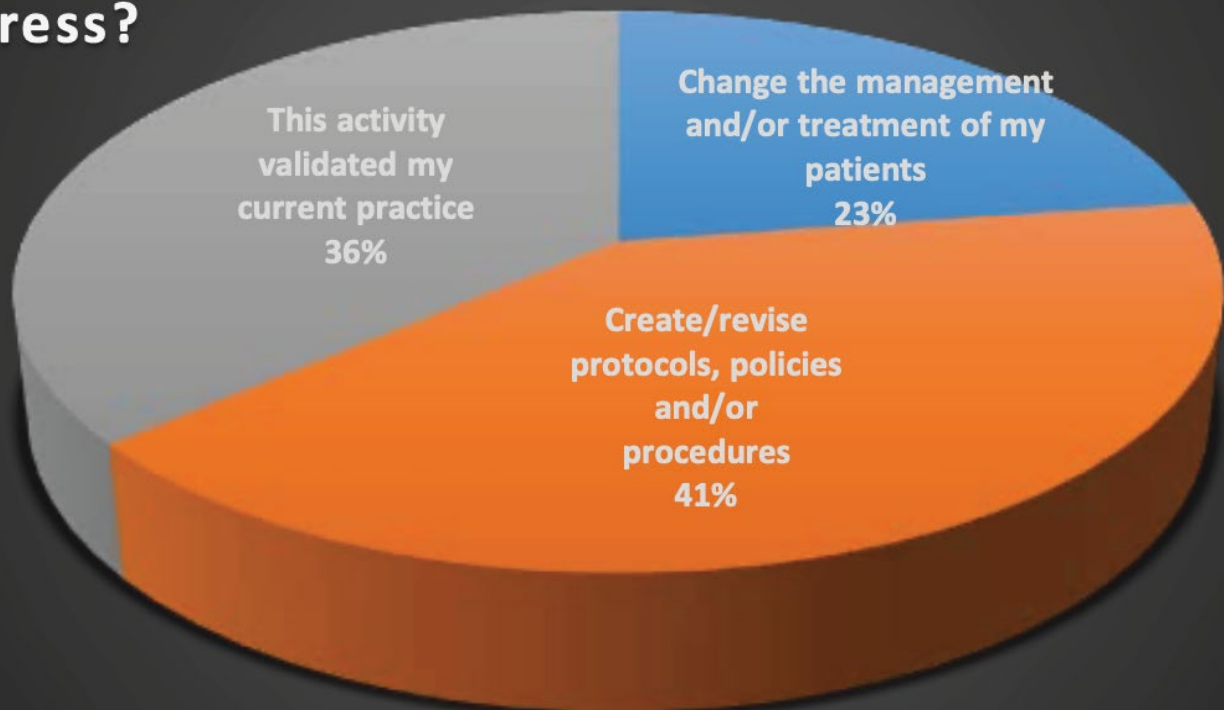

The congress did (or will) increase/improve my:

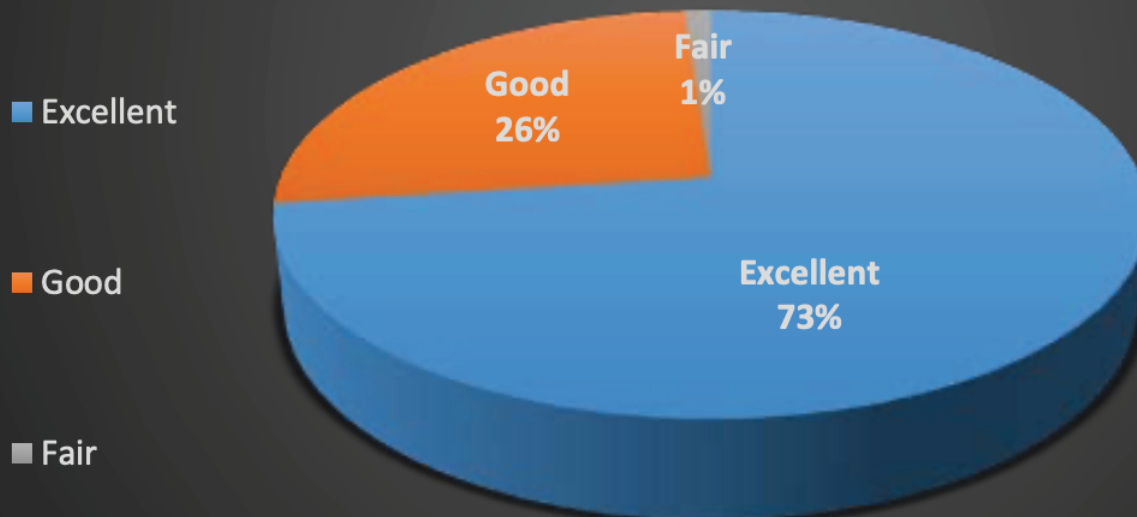

■ Competence ■ Knowledge ■ Patient Outcomes ■ Performance

How do you anticipate changing your practice as a result of attending this congress?

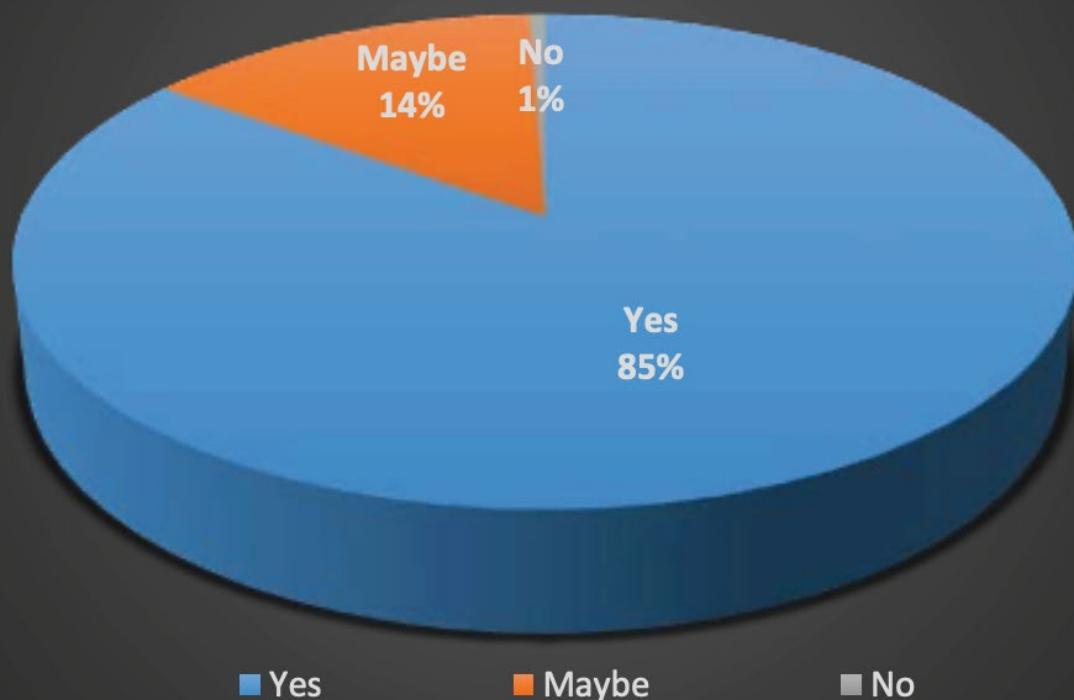

Please rate each of the following for the program:

- Organization of content
- Relevance of content
- Opportunity to ask questions

Our 13th ICJR Middle East, is scheduled from 3 - 5 April 2026. Do you plan on attending the same ?

WEBLISTINGS

[illegible]

12th Annual Meeting of the International Congress of Joint Reconstruction Middle East

(ICJR ME)

Tickets

Tickets are currently not available.

We are thrilled to extend our warm invitation to you for the upcoming "12th Annual Meeting of the International Congress of Joint Reconstruction Middle East" (ICJR ME), scheduled from April 25-27, 2025, at the prestigious Jumeirah Emirates Tower in Dubai, UAE.

Over the past eleven years, this annual gathering has flourished under the esteemed patronage of His Highness Sheikh Mohammed bin Rashid Al Maktoum, the Prime Minister of the United Arab Emirates and the Ruler of Dubai. We are proud to continue the legacy with ICJR ME 2025.

Recognized as the premier convention for reconstruction surgeons in the Middle East, ICJR ME 2025 aims to unite orthopedic experts from around the globe. Across three dynamic days, the congress will feature plenary lectures, cutting-edge presentations, panel discussions, keynote addresses, and instructional course lectures led by preeminent orthopedic specialists. Each session will include a Q&A forum to foster engaging interactions.

We invite you to seize this opportunity to explore, network, and learn alongside global experts as we collaborate to enhance the quality of care for our patients and their caregivers.

ICJR ME 2025 serves as a platform to unveil recent advances and research in the global field of orthopedics. It offers a unique environment for informative discussions, knowledge sharing, and the establishment of new collaborations. Social activities during the congress will further promote networking and camaraderie.

We encourage your participation in this event, where we aim to share knowledge, develop innovative approaches to orthopedic treatment, and create a memorable and enriching experience. Join us forward to welcoming you to Dubai for this distinguished international Congress.

Cordially,

- ✓ View program at the click of your fingers
- ✓ Know your faculty members
- ✓ Bookmark your Sessions
- ✓ Connect with fellow Attendees
- ✓ Click Session Photos and Share
- ✓ Download CPD Certificate

Download the Mobile App!

Follow these steps to download the event App:

Step 1: Access the App Store on iOS devices or the Play Store on Android and download the App **ICJR.ME**

Step 2: Open the **ICJR.ME** App on your mobile device's home screen

Step 3: Find the Current & Upcoming Event from the list "**12th International Congress for Joint Reconstruction, Middle East (ICJR ME)**". Click "Open" to download the event.

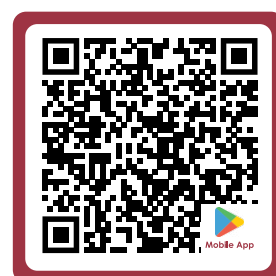

Step 4: Enter your first & last name and the registered email ID to receive an OTP (one time password) on your registered email ID to log in to the Event App.

***Note:** Only registered attendees will be able to access the full Event App. If you do not receive the OTP, it means your email ID is not registered to the conference.

If you are registered but with a different email which is not configured on your mobile device, contact InfoPlus Helpdesk onsite to add your alternate email ID. After which attendees can log in again to receive the verification OTP to access the full Mobile App.
